PRESIDENT'S REPORT

Looking around, it appears we are trading the beautiful fall leaves for bright colored Christmas lights. The holiday season begins earlier every year! As we draw near the end of the year, it's a good time to reflect on all the positive events in our lives. I joyously celebrated $\frac{3}{4}$ of a century of living on this wonderful earth. Life is good.

This fall we had two members of our community honored. Barbara Buck, a vital member of CCRSPA, was inducted into the Maryland Sr. Citizen Hall of Fame. Brittany Rigon, teacher at the School of Technology, was honored as a finalist for Maryland Teacher of the Year. We are so proud of these worthy women as they represent our county.

A goal of our local association, as well as the state, is to increase membership. Our membership is holding at 255, but we would greatly like to increase this number. Reach out to any retired friends and encourage them to join us for our festive holiday luncheon on Tuesday, December 17th at Elkton United Methodist Church. We will enjoy the lovely selections of North East High School chorus and have the opportunity to support our service projects with the raffle proceeds.

Come and join us as we celebrate this joyful season.

MaryEllen Butkiewicz

CCRSPA MINUTES – September 17, 2024

Our meeting was called to order by our president, Mary Ellen, at 11:25. Minutes were approved, and thanks were given for donations

COMMUNITY OUTREACH: Paula Shelton thanked participants for donations. She has many deliveries to be made to the schools. The luncheon for Barbara Buck is in October. Congratulations, Barbara.

CONSTITUTION: Copies of the By-Laws were handed out to each table. Some changes have been made.

LEGISLATION: Linda Elwood reported that the committee met and made some changes. The members will meet again in January, then every other Tuesday after that.

MEMBERSHIP: We are currently at 252 members. Sherry Lewis is working with three retirees, hoping for membership increase. There is a lot of money being spent at the state level. One extravagance that was mentioned is the cost of redesigning the logo for 20,000 dollars.

NOMINATING: Nominations for positions will be done in February. In May, new officers will be installed. Officers and committee chairmen will take office in July 2025. We need a president, co-president, corresponding and recording secretaries, and treasurer.

PUBLIC RELATIONS: We were encouraged to keep our e-mail addresses up to date.

PUBLICATIONS: There are still 53 members receiving paper copies of The Chalkboard. The price of postage continues to rise. Gretchen will need any entries by November 18th. Bill Ide has graciously shown interest in taking over the Publications position in 2025.

SCHOLARSHIP/MINI GRANTS: There will be ten teacher mini grants of \$250 offered. Teachers will have until the middle of October to submit their plans.

SOCIAL: Our next luncheon will take place on December 17th at EUMC.

TRAVEL: By the time you read this, our world travelers will have returned from Scotland. The pictures on Facebook have been beautiful.

PROGRAMS: Maryann Yong once again entertained us with her talents. She asked that we spread the word of her performances to any organization who would be interested. We need suggestions for a high school program for our December luncheon.

Respectfully submitted,

Signe' Mika

MEDICARE

Last month, the Board of Education sent out letters about retiree health coverage. If you received that information AND if you recently received an updated red, white and blue Medicare card, the BOE needs a copy of that card. The easiest way to do this is to email a photo of the card to benefitsinfo@ccps.org. They only need to see the front of the card. Please check the letter dated October 14, 2024, if you have any questions. You can contact the Benefits office at 410-996-5415.

MINI GRANTS

Our mini-grant committee was happy to give a total of \$2,230 to eight teachers in November! We only had about one third of the applicants we had last year, and all seemed quite worthwhile, so we were able to fund every teacher who applied. The amount given varied from \$210 to \$270, with most receiving \$250. We had our first application from the Cecil County School of Technology. Since 2019, we have given \$6,330 to 32 teachers. To the right is a list of this year's recipients, their schools, and what they teach. Visit our website to see photos of the happy teachers receiving their checks!

TRIP TO SCOTLAND

We had a fantastic 11-day trip to Scotland. There were 21 of us and 2 Canadians joined our group in Glasgow.

We were fortunate to have very good weather while touring. Our guide took us along Lock Loman, to the Isle of Skye, through the Highlands and on to the Orkney Islands.

We visited the Eilean Donan Castle, Dunvegan Castle, Inverewe Gardens, Dunrobin Castle, and Edinburgh Castle. Our group sailed on Lock Ness (no monster sightings), visited a 5,000-year-old village, and sheepdog demonstration where some of us helped shear a sheep. We visited pubs for dinner and stopped at a distillery for some Scottish whisky. We brought back some souvenirs as well as memories of a fantastic trip.
